Re: Notice of Ex Parte Application for Seizure of Counterfeit Goods

Dear United States Attorney Hogan:

Pursuant to 15 U.S.C. §1116(d)(2), 3M Company ("3M") provides your office with this Letter of Notice of its Ex Parte Application for Seizure of Counterfeit 3M Respirators. 3M's application will be filed with the Court in the Northern District of Texas.

The Defendant is Moonlight Medical Equipment & Supplies, LLC d/b/a Quality Resource Company ("Moonlight Medical"). This matter arises from a recent discovery that leads 3M to believe that Moonlight Medical is selling counterfeit 3M N95 respirators, which falsely bear 3M trademarks.

Moonlight Medical is located in Richardson, Texas, with a second address in Plano. The locations of the counterfeit goods to be seized are as follows:

1002 North Central Expressway, Suite 495
Richardson, Texas 70580

and

5151 Headquarters Drive, Suite 260
Plano, Texas 75024-0022

Please do not hesitate to contact me if you have questions.

Sincerely,

Mark C. Nelson
